

Li Auto Inc. June 2021 Delivery Update

July 2, 2021

BEIJING, China, July 02, 2021 (GLOBE NEWSWIRE) -- Li Auto Inc. ("Li Auto" or the "Company") (Nasdaq: LI), an innovator in China's new energy vehicle market, today announced that the Company delivered 7,713 Li ONEs in June 2021, representing a 320.6% year-over-year increase, a 78.4% quarter-over-quarter increase, and a new monthly high. As the 2021 Li ONE continues to gain traction rapidly and drive a surge in orders, the Company's new orders in June, which surpassed 10,000, also hit a record high. Total deliveries for the second quarter increased 166.1% year-over-year and 39.7% quarter-over-quarter to reach an all-time high of 17,575, exceeding the top end of the Company's guidance range.

"On the day that marks Li Auto's sixth anniversary, I'm pleased to share with you that thanks to strong user endorsement for the 2021 Li ONE, we set records in deliveries and new orders in June, the first full month of sales for the 2021 Li ONE after its launch," said Yanan Shen, co-founder and president of Li Auto.

The Company had 97 retail stores covering 64 cities, and 167 servicing centers and Li Auto-authorized body and paint shops operating in 127 cities as of June 30, 2021.

About Li Auto Inc.

Li Auto Inc. is an innovator in China's new energy vehicle market. The Company designs, develops, manufactures, and sells premium smart electric vehicles. Through innovations in product, technology, and business model, the Company provides families with safe, convenient, and refined products and services. Li Auto is a pioneer to successfully commercialize extended-range electric vehicles in China. Its first model, Li ONE, is a six-seat, large premium electric SUV equipped with a range extension system and cutting-edge smart vehicle solutions. The Company started volume production of Li ONE in November 2019 and delivered over 33,500 Li ONEs as of December 31, 2020. The Company leverages technology to create value for its users. It concentrates its in-house development efforts on its proprietary range extension system, next-generation electric vehicle technology, and smart vehicle solutions. Beyond Li ONE, the Company aims to expand its product line by developing new vehicles, including BEVs and EREVs, to target a broader consumer base.
